## OPENING SESSION & NETWORKING ACTIVITY

One of everyone's favorite parts of conferences is the networking time! Members will meet other students and leaders from all over the area, both in and out of their CTSO. Students will learn more about the opportunities available through CTSOs and the power of active membership.

## CAREER PANEL

You cannot say Career and Technical Student Organization (CTSO) without CAREER! Learn about exciting career opportunities and how you can put your CTE experience into practice. Hear from industry leaders and CTSO alumni in a variety of professions as they share their insights and tips for becoming college+career-ready.

## REEL LEADERSHIP ACADEMY

Calling all Leaders! Your future awaits and you are the star. In this track, high school students will join to get to know their costars, identify the role they want in life, learn the skills to make it happen and take ACTION! Students will learn more about their personality, productivity, and leadership skills that will help them become the leaders they were born to be.

## KEYNOTE SPEAKER - ALEX MORRISSEY

At age 18, during his senior year of high school, Alex was elected to serve as a CTSO president in Oregon where he traveled the country speaking to audiences as large as 20,000 and facilitating workshops and conferences for students across the country.

Since then, he has continued his work in leadership development through jobs as a leadership trainer, conference facilitator and speaker in over 30 different states. He has been heavily involved in serving as a Young Life Leader in San Luis Obispo, CA where he also regularly worked with local ASB groups and coached high school track and field. Alex graduated from Azusa Pacific University with a degree in Organizational Leadership.

Ultimately, Alex has a desire to share a message of hope in a broken world in need of healing. He works to create leaders who will transform the world through compassion, empathy, and understanding. Whether young or old, we all play a part in this mission. It is Alex's goal to better equip those around him through developing and delivering meaningful learning experiences.
